

Dear 2022 Potential Sponsor,

Bikers and Bra's is a motorcycle charity ride that was created, organized, and managed by the local Ladies of Harley group and the Diamondback Harley- Davidson Dealership. This event was established to bring local breast cancer awareness to our community and to fundraise for the Cancer Centers of Southwest Oklahoma. The best part is that all the money raised will stay local for the patients of Southwest Oklahoma. Unfortunately, many of us have personally been affected by cancer and have either fought our own battle or watched family and/or friends cope with this disease.

The support from our community in the past 2 years has been overwhelming and beyond appreciated. In total, Bikers & Bra's has successfully raised over \$35,000 for the Cancer Centers of Southwest Oklahoma in Lawton, Altus, Duncan, and Chickasha!

The 3<sup>rd</sup> Annual Bikers & Bra's will be held on Saturday, October 15, 2022 and will offer a poker run starting and finishing at Diamondback Harley-Davidson. All vehicles are welcome and will follow a planned scenic route to points of interest and businesses. Once back at Diamondback Harley-Davidson, participants, staff, volunteers, and all patrons will enjoy a silent auction, raffle prizes, live music, food trucks, a foam bubble party for kids of all ages, and lots of vendors!

Our goal for 2022 is to raise **\$20,000**. With your generous support and/or donation, we can meet this goal for our community!

Thank you in advance for your support,

Bikers & Bra's Committee
