Hello Route 66 H.O.G. Family!

It looks like we are starting to get a little break from the heat, come on fall! We have a busy September with a memorial ride, rallies, Chapter rides and 2023 Officer campaigning.

Reminder that we are getting close to 2023 Chapter Officer Election time. Be on the lookout for the full list of candidates and a reminder that it is not too late to nominate or self-nominate for one of the four key positions!

To ensure that you have access to the latest information please ensure that you are checking our Facebook page and attending our monthly Chapter Meetings. We review upcoming rides and events and of course look to you, our amazing members, for direction on what you would like to see or do.

As always I welcome any ideas and suggestions you may have to make our fabulous Route 66 H.O.G. Chapter even better!

The destination isn't as important as the ride!

Just a quick note,

Submit articles and photos to me by the 20th of each month so that they can be included in the following month's newsletters. Articles and photos can be of, well almost, anything motorcycle and Chapter related.

Welcome to August my fellow HOGS!

We now have 122 members in our Chapter! Word is spreading about what a great group of people our Chapter is.

Thank you so much to all of you who were able to come out and help make the dealership's Grillin' and Chillin' Event such a success! We gained one new member from the event.

If you have any family or friends who are looking for a fun group to ride with, please bring them with you to a meeting, ride, or event. We would love to meet them. If they plan on joining, a National HOG Membership is needed for both the rider and the passenger. The passenger needs an Associate Membership in addition to the rider's National HOG Membership.

If you need Chapter patches, please let me know. I have order forms and prices. It is taking about 10-12 weeks for the Chapter rockers as they are personalized to each specific chapter. I will be collecting orders which will be placed the Sunday following the monthly Chapter meeting.

Bjørn and I look forward to seeing you out on the road soon!

### The Heat Is ON !

It looks like we are in for a smokin' hot summer, like we haven't seen in a decade! So let's review some keys to safe riding.

Last month at the July picnic Cory spoke about the importance of hydration, prior to the planned Tin Butt ride, which in my opinion was wisely postponed. He mentioned starting the process 3 or more days before the ride and to limit alcohol during this process, which can actually dehydrate you.

I spoke about road conditions & the hazards they can surprise you with. I remember a news story last time we had extreme heat about a motorcycle rider who was launched into the air because the concrete had buckled on the Cimarron Turnpike. Can you imagine that happening @ 75 MPH ! ?

Please keep these tips in mind as you do your ride preparations this summer, along with your regular mental preparations of plenty of rest & a clear mind.

Keep the shiny side up,

Shoe
