Topics of Discussion:

Gun Raffle/Panty Run: Tickets and Flyers are available at the dealership please feel free to make copies of the flyer as needed. Thank you to Tim Claybaugh for his work on this. We will be keeping the same route we set last year since mother nature had other plans for us with one minor change, we will not be going to Fort Loramie. So, stops will be Kendrick Woods, Celina Park, Moeller Brew Barn, Fort Amanda Park and back to the dealership. We also decided to make Sunday June 21 the rain date for the run should she decide not to cooperate again.

We will again be providing a meal after the ride, this will include Pulled pork, chips, baked beans, macaroni and potato salad and cookies/brownies. We will also have hot dogs and chips available for purchase during registration.

Thank you to everyone who donated items and volunteered to help both at the dealership and the stops, everything has been spoken for, BUT we can always use extra hands.

We are asking that each member bring a case of water and one dozen cookies/brownies the day of the event.

August Annual Ride Planning

It was decided that we will do the Erie PA, New York/Canada Niagara Falls route for our August Ride. There are a lot of plans that must be made so we are asking that you commit by **MAY 1st** (note the date change) that you are going. The "weekend" ride will be extended by at least one day maybe two depending on those that are coming most likely starting on Thursday July 30 and returning on Sunday Aug. 2 possibly Mon the 3rd. Details will be finalized once we have a head count of all those riding. Because we will be going into Canada you will need a valid passport, the link below will help you with the process you can also reach out to your local post office, they can help you as well. Any questions please feel free to reach out to me. **We will have a short meeting with those who are going after the regular meeting in May, so please plan to attend**

It does take about 4 weeks to get these so please don't put it off.
